Mus Gov - 29 1.

SIR,

Referring to correspondence ending with your letter No. 1872/Muz.375-27-11 dated 20th March 1929 in the matter of collection of rent on shops etc., by the Sri Adi Chunchingiri Matha during the annual Jatra, I have the honor to state that the rathotsava and Jatra were held from 23rd to 26th March 1929 and a sum of Rs.127-3-0 was realized from shop tax above, as at the Swamigalu's desire no cart tax was recovered the carts coming to the Jatra belong mostly to devotees. It is reported that 4 to 5 thousand people and about 3 thousand heads of cattle had assembled on the occasion and that needful sanitary and other necessary arrangements had been made by the Matha authorities.

2. I submit herewith petition dated 16th December 1929 presented by the Matha agent requesting that permission may be granted to levy a toll of one anna per head of cattle brought to the Jatra as in the case of other Jatras in the State.

3. In my letter of the 45 20th March 1929 I had recommended that sanction to the levy of toll at the above rate may be accorded but in para 3 of your letter of the 20th March 1929 it has been observed that the question required further examination. In this connection I beg to invite kind reference to G.O.No.2935/Muz.19-01 dated 3rd December 1906 wherein it is said that the temple of Sri Gangadhara Bhairavaswami has been all along in the hands of the Matha and that the Staniks and archaks have been conducting the puja and other ---

other duties in the temple in subordination to the Matha receiving a certain portion of the income as remuneration for their services" and to submit that as the institution in connection with which the Jatra is held is a Muzrai Institution, there seems to be no objection to sanction the levy of fees on cattle on the occasion of the annual Jatra as it will considerably augment the resources of the institutions. In view of the recognition already given to the Matha by Government in several respects, of the fact that the Jatra is well established that the collection of a good number of cattle is --- assured and that the expenditure on sanitary and other arrangements exceeds the income from shop tax alone, I beg to recommend that the matter may be reconsidered and sanction accorded to the levy of toll at one anna per head of cattle with effect from the current year's Jatra.

4. As the current year's Jatra will take place in February next and as publicity has to be given to the gathering of cattle, I solicit the favour of early orders in the matter.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

SIR,

In continuation of this office letter C.No.1630/27-28 dated 23rd December 1929, I have the honour to state that in March last the Agent of the Sri Adi Chunchangiri Matha represented that the manure collected on the grounds of the Matha on the occasion of the annual Jatra was all along being taken by the Matha and that as the present Managers were not aware of the Mamul and as the Taluk Amildar was also new, the manure that was collected during the Jatra of 1928 was purchased by them on protest and requested that they might be permitted to collect the manure.

2. The Deputy Commissioner who was requested to report as to whether there was any objection to comply with the above request, states that the right to collect manure does not appear to have been sold prior to 1927-28, that the villagers of Chunchanhalli were probably allowed to remove the same and that it is being sold by the Taluk authorities for the past 2 years and recommends that sanction may be accorded to the request of the Agent as the amount involved is small (vide copy of letter dated 28th September 1929 enclosed).

3. The ryots of Chunchanhalli object to the Matha takin the manure alleging that they are entitled to the same by previous practice and that they have so taken it during 1925-26 and 1926-27 and that the lands except a small portion on which the cattle are picketted are gomal lands. that the trees on these lands were planted by their ancestors and that are even now attending to the repairs

of the road etc., leading to the village.

4. Per contra, the Agent states that a Cattle Show on the occasion of the annual Rathotsava is being held from time immemorial, that the manure is taken by the Matha for its lands, that the land on which the cattle are picketted forms a portion of the land set apart for the benefit of the Matha Cattle and those belonging to devotees coming to the Rathotsava, that orders prohibiting the grazing of cattle, sheep etc., belonging to the ryots of Chunchanhalli have not only been recorded in the పోలీసు పత్రిక but have also been subsequently confirmed, that the ryots of Chunchanhalli and Palya villages were allowed to repair the roads leading to the hillock (in lieu of paying Kanike to the Matha) and that as they have no grazing right over the land, they have much less reason to demand the manure collected thereon.

5. From the records, it is seen that S.Nos.138, 145 and 148 of Chunchanhalli which are Government gomal lands are being used for purposes of the Jatra, that the Jatra proper is held on S.No.138 that men and cattle congregate in the other two numbers and that in addition to the above cattle gather in S.No.147 which is in the holding of the Matha.

6. The Government have sanctioned the holding of the Jatra in the gomal S.Numbers and in S.No.147 belonging to the Matha and have conceded to it the right of levying fees on shops during the Jatra. Vide Financial Secretary's letter No. 1872 m 375-27-11 dated.... 28th March 1929..

7. As regards the claim put forward by the villagers to the manure collected during the Jatra, it has to be observed that the extract of the పోలీసు పత్రిక enclosed in the records shows that the villagers can only graze their cattle free of charge in the gomal survey numbers. This does not concede to them the right to take the manure collected on it even on ordinary occasions and much less on Jatra occasions, especially when the Jatra is being held under the auspicies of the Matha.

Letter No.M.260/A.J. dated 28th September 1929, from the Deputy Commissioner, Mysore District, to the Muzrai Commissioner in Mysore.

Manure collection - Jatra at Sri Adi Chunchangiri Mutt - Nagamangala Taluk - Claim by the Mutt.

With reference to your letter No.1630 of 27-28 dated 26th March 1929 regarding the representation by the Agent of the Sri Adi Chunchangiri Mutt, Nagamangala Taluk, requesting that the manure collected during the jatra may be allowed to be taken by the Mutt, I have the honour to state that the Sub Division Officer, French Rocks, reports that the right to collect manure does not appear to have been sold prior to 1927-28, that the villagers of Chunchanhalli were probably allowed to remove the manure, and that the right is being sold by the Taluk authorities for the last two years. Both the Amildar and the Sub Division Officer recommend that the request of the Mutt to collect and take the manure may be granted as the amount involved is small.

2. I request that sanction may kindly be accorded to the prayer of the Mutt which is recommended by the local officers.

3. The files relating to the sale of manure during 1927-28 and 1928-29 are submitted herewith.
